
Psycho Killer

I can't seem to face up to the facts
I'm tense and nervous and I
Can't relax
I can't sleep 'cause my bed's on fire
Don't touch me I'm a real live wire

Psycho Killer
Qu'est Que C'est
fa fa fa fa fa fa fa fa fa far better
Run run run run run run run away
Psycho Killer
Qu'est Que C'est
fa fa fa fa fa fa fa fa fa far better
Run run run run run run run away

You start a conversation you can't even finish it.
You're talkin' a lot, but you're not sayin' anything.
When I have nothing to say, my lips are sealed.
Say something once, why say it again?

Psycho Killer,
Qu'est Que C'est
fa fa fa fa fa fa fa fa fa far better
Run run run run run run run away
Psycho Killer
Qu'est Que C'est
fa fa fa fa fa fa fa fa fa far better
Run run run run run run run away

Ce que j'ai fais, ce soir la

Ce qu'elle a dit, ce soir là
Realisant mon espoir
Je me lance, vers la gloire ... OK
We are vain and we are blind
I hate people when they're not polite

Psycho Killer,
Qu'est Que C'est
fa fa fa fa fa fa fa fa fa far better
Run run run run run run run away
Psycho Killer,
Qu'est Que C'est
fa fa fa fa fa fa fa fa fa far better
Run run run run run run run away

oh oh oh oh oh oh oh oh....

Take Me to the River

I don't know why I love her like I do
All the changes you put me through
Take my money, my cigarettes
I haven't seen the worst of it yet
I wanna know that you'll tell me
I love to stay
Take me to the river, drop me in the water
Take me to the river, dip me in the water
Washing me down, washing me down

I don't know why you treat me so bad
Think of all the things we could have had
Love is an ocean that I can't forget
My sweet sixteen I would never regret

I wanna know that you'll tell me
I love to stay
Take me to the river, drop me in the water
Push me in the river, dip me in the water
Washing me down, washing me

Hug me, squeeze me, love me, tease me
Till I can't, till I can't, till I can't take no more of it
Take me to the water, drop me in the river
Push me in the water, drop me in the river
Washing me down, washing me down

I don't know why I love you like I do
All the troubles you put me through
Sixteen candles there on my wall
And here am I the biggest fool of them all

I wanna know that you'll tell me
I love to stay
Take me to the river and drop me in the water
Dip me in the river, drop me in the water
Washing me down, washing me down.

Once in a Lifetime

And you may find yourself living in a shotgun shack
And you may find yourself in another part of the world
And you may find yourself behind the wheel of a large automobile
And you may find yourself in a beautiful house, with a beautiful
wife
And you may ask yourself-Well...How did I get here?

Letting the days go by/let the water hold me down
Letting the days go by/water flowing underground
Into the blue again/after the money's gone
Once in a lifetime/water flowing underground.

And you may ask yourself
How do I work this?
And you may ask yourself
Where is that large automobile?
And you may tell yourself
This is not my beautiful house!
And you may tell yourself
This is not my beautiful wife!
Letting the days go by/let the water hold me down
Letting the days go by/water flowing underground
Into the blue again/after the money's gone
Once in a lifetime/water flowing underground.

Same as it ever was...Same as it ever was...Same as it ever was...
Same as it ever was...Same as it ever was...Same as it ever was...
Same as it ever was...Same as it ever was...

Water dissolving...and water removing
There is water at the bottom of the ocean
Carry the water at the bottom of the ocean
Remove the water at the bottom of the ocean!

Letting the days go by/let the water hold me down
Letting the days go by/water flowing underground
Into the blue again/in the silent water
Under the rocks and stones/there is water underground.

Letting the days go by/let the water hold me down
Letting the days go by/water flowing underground
Into the blue again/after the money's gone
Once in a lifetime/water flowing underground.

And you may ask yourself
What is that beautiful house?
And you may ask yourself
Where does that highway go?
And you may ask yourself
Am I right?...Am I wrong?
And you may tell yourself
MY GOD!...WHAT HAVE I DONE?

Letting the days go by/let the water hold me down
Letting the days go by/water flowing underground
Into the blue again/in the silent water
Under the rocks and stones/there is water underground.

Letting the days go by/let the water hold me down
Letting the days go by/water flowing underground
Into the blue again/after the money's gone
Once in a lifetime/water flowing underground.

Same as it ever was...Same as it ever was...Same as it ever was...
Same as it ever was...Same as it ever was...Same as it ever was...
Same as it ever was...Same as it ever was...

Burning Down The House

Watch out you might get what you're after
Cool babies strange but not a stranger
I'm an ordinary guy
Burning down the house

Hold tight wait till the party's over
Hold tight We're in for nasty weather

There has got to be a way
Burning down the house

Here's your ticket pack your bag: time for jumpin' overboard
The transportation is here
Close enough but not too far, Maybe you know where you are
Fightin' fire with fire

All wet hey you might need a raincoat
Shakedown dreams walking in broad daylight
Three hun-dred six-ty five de-grees
Burning down the house

It was once upon a place sometimes I listen to myself
Gonna come in first place
People on their way to work baby what did you expect
Gonna burst into flame

My house S'out of the ordinary
That's might Don't want to hurt nobody
Some things sure can sweep me off my feet
Burning down the house

No visible means of support and you have not seen nuthin' yet
Everything's stuck together
I don't know what you expect starring into the TV set
Fighting fire with fire

This Must be the Place (Naive Melody)

Home is where I want to be
Pick me up and turn me round
I feel numb - burn with a weak heart
(So I) guess I must be having fun
The less we say about it the better
Make it up as we go along
Feet on the ground
Head in the sky
It's ok I know nothing's wrong . . . nothing

Hi yo I got plenty of time
Hi yo you got light in your eyes
And you're standing here beside me
I love the passing of time
Never for money
Always for love
Cover up + say goodnight . . . say goodnight

Home - is where I want to be
But I guess I'm already there
I come home - -she lifted up her wings
Guess that this must be the place
I can't tell one from another
Did I find you, or you find me?
There was a time Before we were born
If someone asks, this where I'll be . . . where I'll be

Hi yo We drift in and out
Hi yo sing into my mouth
Out of all those kinds of people
You got a face with a view
I'm just an animal looking for a home
Share the same space for a minute or two
And you love me till my heart stops
Love me till I'm dead
Eyes that light up, eyes look through you
Cover up the blank spots
Hit me on the head Ah ooh

Slippery People

Whatabout the time?
You were rollin' over
Fall on your face
You must be having fun
Walk lightly!
Think of a time.
You'd best believe
This think is real

Put away that gun
This part is simple
Try to recognize
What is in you mind
God help us!
Help us loose our minds
These slippery people
help us understand

what's the matter with him? He's alright!
I see his face The lord won't mind
Don't play no games He's alright
Love from the bottom to the top
Turn like a wheel He's alright
See for yourself The lord won't mind
We're gonna move Right now
Turn like a wheel inside a wheel

I remember when
Sittin' in the tub
Pulled out the plug
The water was runnin' out
Cool down
Stop acting crazy
They're gonna leave

And we'll be on our own
Seven times five
They were living creatures
Watch 'em come to life
Right before your eyes
Backsliding!
How do you do?
These slippery people
Gonna see you through

Life During Wartime

Heard of a van that is loaded with weapons,
packed up and ready to go
Heard of some gravesites, out by the highway,
a place where nobody knows
The sound of gunfire, off in the distance,
I'm getting used to it now
Lived in a brownstore, lived in the ghetto,
I've lived all over this town

This ain't no party, this ain't no disco,
this ain't no fooling around
No time for dancing, or lovey dovey,
I ain't got time for that now

Transmit the message, to the receiver,
hope for an answer some day
I got three passports, a couple of visas,
you don't even know my real name
High on a hillside, the trucks are loading,
everything's ready to roll
I sleep in the daytime, I work in the nighttime,
I might not ever get home

This ain't no party, this ain't no disco,
this ain't no fooling around
This ain't no mudd club, or C. B. G. B.,
I ain't got time for that now
Heard about Houston? Heard about Detroit?
Heard about Pittsburgh, PA?
You oughta know not to stand by the window
somebody might see you up there
I got some groceries, some peant butter,
to last a couple of days
But I ain't got no speakers, ain't got no
headphones, ain't got no records to play

Why stay in college? Why go to night school?
Gonna be different this time
Can't write a letter, can't send a postcard,
I can't write nothing at all
This ain't no party, this ain't no disco,
this ain't no fooling around
I'd like to kiss you, I'd love you hold you
I ain't got no time for that now

Trouble in transit, got through the roadblock,
we blended with the crowd
We got computer, we're tapping pohne lines,
I know that ain't allowed
We dress like students, we dress like housewives,
or in a suit and a tie
I changed my hairstyle, so many times now,
I don't know what I look like!
You make me shiver, I feel so tender,
we make a pretty good team
Don't get exhausted, I'll do some driving,
you ought to get some sleep
Get you instructions, follow directions,
then you should change your address
Maybe tomorrow, maybe the next day,
whatever you think is best
Burned all my notebooks, what good are
notebooks? They won't help me survive
My chest is aching, burns like a furnace,
the burning keeps me alive

Try to stay healthy, physical fitness,
don't want to catch no disease
Try to be careful, don't take no chances,
you better watch what you say

And She Was

And she was lying in the grass
And she could hear the highway breathing
And she could see a nearby factory
She's making sure she is not dreaming
See the lights of a neighbor's house
Now she's starting to rise
Take a minute to concentrate
And she opens up her eyes

The world was moving and she was right there with it (and she was)
The world was moving she was floating above it (and she was) and she was

And she was drifting through the backyard
And she was taking off her dress
And she was moving very slowly
Rising up above the earth
Moving into the universe
Drifting this way and that
Not touching ground at all
Up above the yard

CHORUS

She was glad about it... no doubt about it
She isn't sure where she's gone

No time to think about what to tell them
No time to think about what she's done
And she was

And she was looking at herself
And things were looking like a movie
She had a pleasant elevation
She's moving out in all directions

CHORUS

Joining the world of missing persons (and she was)
Missing enough to feel alright (and she was)

Road to Nowhere

WELL WE KNOW WHERE WE'RE GOIN'
BUT WE DON'T KNOW WHERE WE'VE BEEN
AND WE KNOW WHAT WE'RE KNOWIN'
BUT WE CAN'T SAY WHAT WE'VE SEEN
AND WE'RE NOT LITTLE CHILDREN
AND WE KNOW WHAT WE WANT
AND THE FUTURE IS CERTAIN
GIVE US TIME TO WORK IT OUT

We're on a road to nowhere
Come on inside
Takin' that ride to nowhere
We'll take that ride

I'm feelin' okay this mornin'
And you know,
We're on the road to paradise
Here we go, here we go

CHORUS

Maybe you wonder where you are
I don't care
Here is where time is on our side
Take you there...take you there

We're on a road to nowhere
We're on a road to nowhere
We're on a road to nowhere

There's a city in my mind
Come along and take that ride
and it's all right, baby, it's all right

And it's very far away
But it's growing day by day
And it's all right, baby, it's all right

They can tell you what to do
But they'll make a fool of you
And it's all right, baby, it's all right

We're on a road to nowhere

Wild Wild Life

I'm wearin'
Fur pyjamas
I ride a
Hot Potata'
It's tickling my fancy
Speak up, I can't hear you

Here on this mountaintop
Woahoho
I got some wild, wild life
I got some new to tell ya
Woahoho
About some wild, wild life
Here comes the doctor in charge
Woahoho
She's got some wild, wild life
Ain't that the way you like it?
Ho, ha!
Living wild, wild life.

I wrestle, with your conscience
You wrestle, with your partner
Sittin' on a window sill, but he
Spends time behind closed doors

Check out Mr. Businessman
Oh, ho ho
He bought some wild, wild life
On the way to the stock exchange
Oh, ho ho
He got some wild, wild life
Break it up when he opens the door
Whoahoho
He's doin' wild, wild life

I know that's the way you like it
Wo ho
Living wild, wild life

Peace of mind?
Piece of cake!
Thought control!
You get on board anytime you like

Like sittin' on pins and needles
Things fall apart, it's scientific

Sleeping on the interstate
Woah ho ah
Getting wild, wild life
Checkin' in, a checkin' out!
Uh, huh!
I got a wild, wild life
Spending all of my money and time
Oh, ho ho
Done too much wild, wild
We wanna go, where we go, where we go
Oh, ho ho!
I doing wild, wild
I know it, that's how we start
Uh, huh
Got some wild, wild life
Take a picture, here in the daylight
Oh, ho!
And it's a wild, wild life
You've grown so tall, you've grown so fast
Oh, ho ho
Wild, wild
I know that's the way you like it
Oh, ho!
Living wild wild wild wild, life.

Blind

Signs

Signs are lost

Signs disappeared

Turn invisible

Got no sign

Somebody got busted

Got a face of stone

And a ghostwritten biography

Dogs start to run in,

Hungry for some food

Dogs start a-twitching

And they're looking at you

It was light

By five

Torn all apart

All in the name of democracy

He's hurt

He's dying

Claimed he was a terrorist

Claimed to avert a catastrophe

Someone should'a told him

That the buck stops here

No one ever said

That he was involved with thieves

And they're blind, blind

blind, blind, blind, blind, blind

blind, blind

blind, blind, blind, blind, blind

No sense of harmony, No sense of
time, Don't mention harmony, Say:
What is it? What is it? What is it? Give
a little shock, and he raises his hand
Somebody shouts out, says: What is
it? What is it? What is it?

He was shot down in the night! Peop-
ple ride by but his body's still alive
The girl in the window what has she
done? She looks down at me ...

says: "I don't want to die!"

And I'm blind, blind
blind, blind, blind, blind, blind
blind, blind
blind, blind, blind, blind, blind
Somebody could have told us where they go
Crawling all around looking for foot, foot, footprints
Now tell me what the Hell have we become?
Some dirty little bastards What the Hell is going on?
No sense of harmony, No sense of
time, Don't mention harmony, Say:
What is it? What is it? What is it? Give
a little shock, and he raises his hand
Somebody shouts out, says: What is
it? What is it? What is it?
He was shot down in the night! Peop-
ple ride by but his body's still alive
The girl in the window what has she
done? She looks down at me ...
says: "I don't want to die!"

They're blind and they're blind
blind, blind, blind, blind, blind
blind, blind
blind, blind, blind, blind, blind
blind, blind
blind, blind, blind, blind, blind
blind, blind
blind, blind, blind, blind, blind

(Nothing But) Flowers

Here we stand
Like an Adam and an Eve
Waterfalls

The Garden of Eden
Two fools in love
So beautiful and strong
The birds in the trees
Are smiling upon them
From the age of the dinosaurs
Cars have run on gasoline
Where, where have they gone?
Now, it's nothing but flowers

There was a factory
Now there are mountains and rivers
you got it, you got it

We caught a rattlesnake
Now we got something for dinner
we got it, we got it

There was a shopping mall
Now it's all covered with flowers
you've got it, you've got it

If this is paradise
I wish I had a lawnmower
you've got it, you've got it

Years ago
I was an angry young man
I'd pretend
That I was a billboard
Standing tall
By the side of the road
I fell in love
With a beautiful highway
This used to be real estate
Now it's only fields and trees

Where, where is the town
Now, it's nothing but flowers
The highways and cars
Were sacrificed for agriculture
I thought that we'd start over
But I guess I was wrong

Once there were parking lots
Now it's a peaceful oasis
you got it, you got it

This was a Pizza Hut
Now it's all covered with daisies
you got it, you got it

I miss the honky tonks,
Dairy Queens, and 7-Elevens
you got it, you got it

And as things fell apart
Nobody paid much attention
you got it, you got it

I dream of cherry pies,
Candy bars, and chocolate chip cookies
you got it, you got it

We used to microwave
Now we just eat nuts and berries
you got it, you got it

This was a discount store,

Now it's turned into a cornfield
you got it, you got it

Don't leave me stranded here
I can't get used to this lifestyle

Sax & Violins

Falling, falling
Gonna drop like a stone
I'm falling through the atmosphere
On a warm afternoon
If lovers discover
That ev'ryone dies
So don't tell me, please hold me
It's a dangerous life

Daddy dear
Let's get outta here
I'm scared
Ten o'clock
Nighttime in New York
It's weird

If you're looking for trouble
Well, that's what you will find

Mom & Pop
They will fuck you up
For sure
Love so deep
Kills you in your sleep

It's true

Love keeps us together
And love keeps us alive

And we - are criminals that never
broke no laws
And all - we needed was a net
to break our fall

They're searching for diamonds
They're grabbin' at straws
Sex 'n' sin
Sax 'n' violins
It's hell
Wooden heads
Furniture with legs
For sale

Love keeps us together
And love will drive us insane

And we - are criminals that never
broke no laws
And all - we needed was a net
to break our fall

Going home
Back where I belong
To stay
Rays of light
They will turn the light
To day

Birds travel together
Birds follow the sun
And I - am watching as the birds go flying home

Lifetime Piling Up

I have tried marijuana
I get nervous every time
There will come a knockin' at the door
Why is everybody makin' eyes at me?
I don't want to know
Excuse and pardon me
Stay for a while
Maybe we'll never
meet again

I can see my lifetime piling up
I can see the days turn into nights
I can see the people on the street
Open those windows up
A hundred floors below me
Pilin' those houses up
Pilin' them higher, higher, higher
I can feel them swayin' back and forth
Building it higher, higher
This tower's learning over

I got bad coordination
Stuck a pencil in my eye
I can hardly wait to get back home
Why is everybody gettin' paranoid?
It's only havin' fun
Scum-bags and superstars
Tell me your names
I'll make a bet, you're
both the same

I can see my lifetime pilin' up
Reaching from my bedroom to the stars
I can see the house where I was born
When I was growin' up - they say that
I could never keep my trousers up
I remember days and crazy nights
Are there any pirates on this ship?
And if they sober up - they'll have us
Home by morning

Cry, cry, cry
It's just you and I
Like an automobile
with no one at the wheel
Spinning out of control
We're all over the road
In our sexy machine
All the passengers scream
Scream, scream!

I can see my lifetime pilin' up
I can see it smashin' into yours
It was not an accident at all
Open your window up - I hear you laughin'

Goin' one, two, three, four, five
Goin' from the bottom to the top
Maybe I'm holding on too tight
And now I'm growin' up
I got a funny feeling
Pilin' those houses up
Pilin' them higher, higher, higher
Building that highway to the stars
And turning the music up - Hey!
I got a winning number
