

## New CBGB's movie features all four Talking Heads

Sunday, 03 May 2009 15:11

---

"Burning Down the House: The Story of CBGB's" opened on the Tribeca film festival last week. The film tells the story of the legendary New York club CBGB's and the last days of the venue, which closed down after a legal battle some years ago. The film features new footage of many of the artists who started their careers at CBGB's, including all four former members of Talking Heads.

Here's the [trailer](#) , here's the [IMDB entry](#) and here's an [article](#) on the panel discussion that followed the premiere showing featuring director Mandy Stein, Chris Frantz and others.
