

K7 / Strut records will release the compilation CD "Funky Nassau: The Compass Point Story 1980 - 1986" on February 18. The CD contains the definitive story of the golden era at Chris Blackwell's Compass Point Studios in the Bahamas and comes with extensive sleeve notes and artists interviews. The album includes tracks by Talking Heads, Tom Tom Club, Ian Dury, Grace Jones, Sly Dunbar, Will Powers and many others. [CD available here](#) .

[Minisite with some previous and videos](#) , as well as a familiar face if you don't skip the intro sequence ;-)
