Uh-oh, Love Comes to Town  
-----

Wait, wait for the moment to come  
Stand up, stand up and take my hand  
Believe, believe in mystery  
Love love love love is simple as 1-2-3

I'm a know-it-all, I'm smartest man around  
That's right, you learn real fast through the smartest girl in town  
Here come a riddle, here come a clue  
If you were really smart, you'd know what to do  
When...

Jump back, sit back, get back, relax  
It's ok  
I've called in sick I won't go to  
Work today  
I'd rather be with the  
One I love  
I neglect my duties, I be in trouble but

I've been to college, I've been to school  
I've met the people that you read about in books  
Here come a riddle, here come a clue  
If you were really smart you'd know what to do when I say  
Jet pilot gone out of control, ship captain on the ground  
Stock broker make a bad investment when love has come to town

Where, where is my common sense?  
How...did I get in a jam like this?  
Believe, I believe in mystery  
Love, love love love is simple as 1-2-3

Here come a riddle, here come a clue  
If you were really smart, you'd know what to do when I say  
Why am I going out of my head, whenever you're around?  
The answer is obvious, love has come to town

-----  
New Feeling  
-----

It's not...yesterday...anymore  
I go visiting, I talk loud  
I try to make myself clear  
In front...of a face...that's nearer  
Than it's ever been before  
Not this close before  
Nearer than before  
Not this close before

It is...is a million...years ago  
I hear music...and it sounds like bells  
I feel like my head is high  
I wish...I could meet...every one  
Meet them all over again  
Bring them up to my room  
Meet them all over again  
Everyone's up in my room

And now...Now I'm busy...Busy again  
I feel like sitting down but  
I'm still thinking...Thinking about my friends  
In my garden...moments  
But now I'm speaking out  
Speaking about my friends  
Now I'm speaking out  
Thinking about my friends

-----  
Tentative Decisions  
-----

Now that I can  
Release my tensions  
Let me make clear  
My best intentions  
Girls ask and I  
define decision  
Boys ask and I  
describe their function

Oh the boys  
want to talk  
Like to to talk about those problems  
And the girls  
say they're concerned  
And they are  
concerned with these decisions

And it's all  
Hard Logic  
To follow and the  
Girls get lost  
And the boys  
say they're concerned  
But they are  
concerned with these decisions

I wanna talk  
I wanna talk as much as I want  
I'm gonna give  
I'm gonna give the problem to you  
I wanna talk  
I wanna talk as much as I want  
I'm gonna give  
I'm gonna give the problem to you

Decide, decide  
Make up your mind  
Decide, decide  
I told you what to say  
Confuse, confuse  
Describe what I found  
Confuse, confuse  
I told you what to say

Oh the girls  
Still want to talk  
Want to talk about those problems  
And the boys  
say they're concerned  
But they are concerned with these decisions

And it's all  
Hard Logic  
I know  
and the girls get lost  
And the boys  
say they're concerned  
And they are concerned with these decisions

I wanna talk  
I wanna talk as much as I want  
I'm gonna give  
I'm gonna give the problem to you  
I wanna talk  
I wanna talk as much as I want  
I'm gonna give  
I'm gonna give the problem to you

Decide, decide  
Make up your mind  
Decide, decide  
I told you what to say  
Confuse, confuse

Describe what I found  
Confuse, confuse  
I told you what to say

-----  
Happy Day  
-----

In...my...sensations  
I believe that I...was  
born with the things that I know  
I want...to talk...  
Like ev'ry  
Before I decide what to do

And I fell all over and I  
couldn't stand up  
I can't be critical  
I can't won't stop  
Such a happy day  
for me  
Bring a happy day  
to me  
Send a happy day  
to me  
And a happy day  
came to me come to me here it come...

I'm...only...looking  
Feel like my heart  
has a will of it's own  
I feel...feel nice inside  
right here  
And now it's...summer again

The story that I told

The story I made up  
I was foolin' around but I  
can't won't stop  
Such a happy day  
for me  
Bring a happy day  
to me  
Send a happy day  
to me  
And a happy day  
come to me, come to me, here it come...

This...boy...is in motion  
Some density  
moved right beside me  
I want  
My sentence  
Right here  
But now I'm far away

A sign was given but  
many years have passed  
Cost a little bit to love you but I  
won't can't stop  
Such a happy day  
for me  
Bring a happy day  
to me  
Send a happy day  
to me  
And a happy day  
came to me come to me here it come...

It's alright

-----  
Who is it?  
-----

Who is it who  
Who is it who  
Who is it who  
Who is it  
What is it  
What is it  
What is it  
What is it  
Oh.....Baby it's you!

Who is it who  
Who is it who  
Who is it who  
Who is it  
What is it  
What is it  
What is it  
What is it  
Oh...Oh baby it's you!

Watch out now baby 'cause I'm in love with you  
Watch out now baby 'cause I'm in love with you  
And if you don't love me I don't know what I'm going to do!

Who, who, who is it  
What is it  
What is it  
What is it  
What is it  
Oh.....Baby it's you!

No Compassion

-----

In a world  
where people have problems  
In this world  
where decisions are a way of life  
Other people's problems they overwhelm my mind  
They say compassion is a virtue, but I don't have the time

So many people...have their problems  
I'm not interested...in their problems  
I guess I've...experienced some problems  
But now I've...made some decisions  
Takes a lot of time to push away the nonsense  
Take my compassion...Push it as far as it goes  
My interest level's dropping, my interest level is dropping  
I've heard all I want to, I don't want to hear any more

What are you, in love with your problems?  
I think you take it...a little too far  
It's...not so cool to have so many problems  
But don't expect me to explain your indecisions  
Go...talk to your analyst, isn't that what they're paid for  
You walk, you talk...You still function like you used to  
It's not a question...Of your personality or style  
Be a little more selfish, it might do you some good

In a world where people have problems  
In this world where decisions are a way of life  
Other people's problems, they overwhelm my mind  
They say compassion is a virtue, but I don't have the time  
(Here we go again)

The Book I Read

-----  
I'm writing 'bout the  
Book I read  
I have to sing about the  
Book I read  
I'm embarrassed to admit it hit the soft spot in my heart  
When I found out you wrote the  
Book I read so

Take my shoulders as they touch your arms I've  
Got little cold chills but I feel alright The  
Book I Read was in your eyes oh oh

Oh...I'm living in the future.  
I feel wonderful.  
I'm tipping over backwards  
I'm so ambitious  
I'm looking back I'm  
Running a race and you're the book I read so

Feel my fingers as they  
touch your arms  
I'm spinning around but I feel alright  
The book I read was in your eyes

Na na na na...na na na na na na na na  
Na na na na...na na na na na na na na  
Na na na na na...na na na na na na na na  
Na na na na...na na na na na na na na  
Na na na na...na na na na na na na na  
Na na na na...oh oh oh oh oh oh oh oh

Ooooooh...I'm living in the future  
I feel wonderful  
I'm tipping over backwards  
I'm so ambitious  
I'm looking back I'm  
Running a race and you're the books I read so

Feel my fingers as they touch you arms I'm

Don't Worry About the Government  
-----

I see the clouds that move across the sky  
I see the wind that moves the clouds away  
It moves the clouds over by the building  
I pick the building that I want to live in

I smell the pine trees and the peaches in the woods  
I see the pinecones that fall by the highway  
That's the highway that goes to the building  
I pick the building that I want to live in

It's over there, it's over there

My building has every convenience  
It's gonna make life easy for me  
It's gonna be easy to get things done  
I will relax alone with my loved ones

Loved ones, loved ones visit the building,  
take the highway, park and come up and see me  
I'll be working, working but if you come visit  
I'll put down what I'm doing, my friends are important

Don't you worry 'bout me  
I wouldn't worry about me  
Don't you worry 'bout me  
Don't you worry 'bout me

I see the states, across this big nation  
I see the laws made in Washington, D.C.  
I think of the ones I consider my favorites  
I think of the people that are working for me

Some civil servants are just like my loved ones  
They work so hard and they try to be strong  
I'm a lucky guy to live in my building  
They own the buildings to help them along

It's over there, it's over there  
My building has every convenience  
It's gonna make life easy for me  
It's gonna be easy to get things done  
I will relax along with my loved ones

Loved ones, loved ones visit the building  
Take the highway, park and come up and see me  
I'll be working, working but if you come visit

I'll put down what I'm doing, my friends are important

I wouldn't worry 'bout  
I wouldn't worry about me  
Don't you worry 'bout me  
Don't you worry 'bout ME.....

First Week/Last Week...Carefree  
-----

Can we run that again  
Is that a woman's voice I hear?  
I said, "Let's wait and see. I'll see for myself"  
That's a phrase I repeat  
To myself  
Made a reference to me and  
that's myself too

What progress I have made the first week  
First Week  
First Week  
First Week

Every sentence I use  
Refer to women and their names  
I heard the voice first last week  
I heard it myself  
Made a reference to me  
That's myself  
This report's incomplete  
I see for myself

Every appointment has been moved to last week

Last Week  
Last Week  
Last Week

oh...  
ah...  
oh...

I heard the voice first last week  
I heard it myself  
Made a reference to me  
And that's myself  
This report's incomplete  
I see for myself

Every appointment has been moved to last week  
Last Week  
Last Week  
Last Week

oh...  
ah...  
oh...

Psycho Killer  
-----

I can't seem to face up to the facts  
I'm tense and nervous and I  
Can't relax  
I can't sleep 'cause my bed's on fire  
Don't touch me I'm a real live wire

Psycho Killer  
Qu'est-ce que c'est  
fa fa fa fa fa fa fa fa far better  
Run run run run run run run away  
Psycho Killer  
Qu'est-ce que c'est  
fa fa fa fa fa fa fa fa far better  
Run run run run run run run away

You start a conversation you can't even finish it.  
You're talkin' a lot, but you're not sayin' anything.  
When I have nothing to say, my lips are sealed.  
Say something once, why say it again?

Psycho Killer,  
Qu'est-ce que c'est  
fa fa fa fa fa fa fa fa far better  
Run run run run run run run away  
Psycho Killer  
Qu'est-ce que c'est  
fa fa fa fa fa fa fa fa far better  
Run run run run run run run away

Ce que j'ai fais, ce soir la  
Ce qu'elle a dit, ce soir la  
Realisant mon espoir  
Je me lance, vers la gloire ... OK  
We are vain and we are blind  
I hate people when they're not polite

Psycho Killer,  
Qu'est-ce que c'est  
fa fa fa fa fa fa fa fa far better  
Run run run run run run run away  
Psycho Killer,  
Qu'est-ce que c'est  
fa fa fa fa fa fa fa fa far better  
Run run run run run run run away

oh oh oh oh oh oh oh oh....

Pulled Up  
-----

Mommy, Daddy, come and look at me now  
I'm a big man in a great big town  
Years ago who would believe it's true  
Goes to show what a little faith can do

I was complaining, I was down in the dumps  
I feel so strong now 'cause you pulled me up!  
Pull me up up up up up up up up

I slipped, and I got pulled  
Pulled up, I tripped, and then you pulled,  
you pulled me up  
I slipped, and I got pulled,  
Pulled up, I slipped, and then you pulled,  
you pulled me up pull me up pull me up...  
Pulled me up up up up up up up up

I drift away to another land  
Sleeping dreaming such a simple thing  
I think of things that I might be  
I see my name go down in history

I was complaining, I was down in the dumps  
I feel so string now 'cause you pulled me up!  
Pull me up up up up up up up up  
I slipped, and I got pulled,  
pulled up, I tripped, and then you pulled,  
you pulled me up

I tripped, and I got pulled  
Pulled up, I slipped, and then you pulled  
you pulled me up! Pulled me up up, Pulled me up...  
Pulled me up up up up up up up up

I got up  
'cause you pulled me up  
I stood up  
'cause you pulled me up  
I got up  
And that was because you pulled me up  
I got up  
In a little while you pulled me up  
Pull me up up up up, up up up up!  
Pull me up up up up up up up up!

I cast a shadow on the living-room wall  
Dark and savage with a profile so sharp  
Keep that wonderful food on the table  
There's really no hurry I'll eat in a while

I was complaining, I was down in the dumps  
I feel so strong now 'cause you pulled me up!  
Pull me up up up up up up up up!  
I slipped, and I got pulled  
Pulled up, I tripped, and then you pulled,  
you pulled me up  
I slipped, and I got pulled  
Pulled Up, I slipped,  
And then you pulled, you pulled me up!  
Pull me up...Pull me up...Watch out!  
Pull me up up up up up up up up!  
Pull me up up up up up up up up!  
Pull me up up up up up up up up!
