Mind  
-----

Time won't change you  
Money won't change you  
I haven't got the faintest idea  
Everything seems to be up in the air at this time

I need something you change your mind

Drugs won't change you  
Religion won't change you

Science won't change you  
Looks like I can't change you  
I try to talk to you, to make things clear  
but you're not even listening to me...  
And it comes directly from my heart to you...

I need something to change your mind.

-----  
Paper  
-----

Hold the paper up to the light  
(some rays pass right through)  
Expose yourself out there for a minute  
(some rays pass right through)

Take a little rest when the rays pass through  
Take a little time off when the rays pass through

Go ahead and mis it up...Go ahead and tie it up  
In a long distance telephone call

Hold on to that paper  
Hold on to that paper  
Hold on because it's been taken care of  
Hold on to that paper

See if you can fit it on the paper  
See if you can get it on the paper  
See if you can fit it on the paper  
See if you can get it on the paper

Had a love affair but it was only paper  
(some rays they pass right through)  
Had a lot of fun, could have been a lot better  
(some rays they pass right through)

Take a little consideration, take every combination  
Take a few weeks off, make it tighter, tighter  
But it was never, it was never written down  
Still might be a chance that it might work out (if you)

Hold on to that paper  
Hold on to that paper  
Hold on because it'll be taken care of  
Hold on to that paper

Don't think I can fit it on the paper  
Don't think I can get it on the paper  
Go ahead and rip up, rip up the paper  
Go ahead and tear up, tear up the paper

-----  
Cities  
-----

Think of London, a small city

It's dark, dark in the daytime

The people sleep, sleep in the daytime  
If they want to, if they want to

CHORUS

I'm checking them out  
I'm checking them out  
I got it figured out  
I got it figured out  
There's good points and bad points  
Find a city  
Find myself a city to live in.

There are a lot of rich people in Birmingham  
A lot of ghosts in a lot of houses  
Look over there!...A dry ice factory  
A good place to get some thinking done

Down el Paso way things get pretty spread out  
People got no idea where in the world they are  
They go up north and come back south  
Still got no idea where in the world they are.  
Did I forget to mention, to mention Memphis  
Home of Elvis and the ancient greeks  
Do I smell? I smell home cooking  
It's only the river, it's only the river.

-----  
Life During Wartime  
-----

Heard of a van that is loaded with weapons,  
packed up and ready to go  
Heard of some gravesites, out by the highway,

a place where nobody knows  
The sound of gunfire, off in the distance,  
I'm getting used to it now  
Lived in a brownstore, lived in the ghetto,  
I've lived all over this town

This ain't no party, this ain't no disco,  
this ain't no fooling around  
No time for dancing, or lovey dovey,  
I ain't got time for that now

Transmit the message, to the receiver,  
hope for an answer some day  
I got three passports, a couple of visas,  
you don't even know my real name  
High on a hillside, the trucks are loading,  
everything's ready to roll  
I sleep in the daytime, I work in the nighttime,  
I might not ever get home

This ain't no party, this ain't no disco,  
this ain't no fooling around  
This ain't no mudd club, or C. B. G. B.,  
I ain't got time for that now  
Heard about Houston? Heard about Detroit?  
Heard about Pittsburgh, P. A.?  
You oughta know not to stand by the window  
somebody might see you up there  
I got some groceries, some peanut butter,  
to last a couple of days  
But I ain't got no speakers, ain't got no  
headphones, ain't got no records to play

Why stay in college? Why go to night school?  
Gonna be different this time  
Can't write a letter, can't send a postcard,  
I can't write nothing at all  
This ain't no party, this ain't no disco,

this ain't no fooling around  
I'd like to kiss you, I'd love you hold you  
I ain't got no time for that now

Trouble in transit, got through the roadblock,  
we blended with the crowd  
We got computer, we're tapping phone lines,  
I know that ain't allowed  
We dress like students, we dress like housewives,  
or in a suit and a tie  
I changed my hairstyle, so many times now,  
I don't know what I look like!  
You make me shiver, I feel so tender,  
we make a pretty good team  
Don't get exhausted, I'll do some driving,  
you ought to get some sleep  
Get you instructions, follow directions,  
then you should change your address  
Maybe tomorrow, maybe the next day,  
whatever you think is best  
Burned all my notebooks, what good are  
notebooks? They won't help me survive  
My chest is aching, burns like a furnace,  
the burning keeps me alive  
Try to stay healthy, physical fitness,  
don't want to catch no disease  
Try to be careful, don't take no chances,  
you better watch what you say

-----  
Memories Can't Wait  
-----

Do you remember anyone here?  
No you don't remember anything at all  
I'm sleeping, I'm flat on my back  
Never woke up, had no regrets

There's a party in my mind...And it never stops  
There's a party up there all the time...They'll  
party till they drop  
Other people can go home...Other people they can split  
I'll be here all the time...I can never quit

Take a walk through the land of shadows  
Take a walk through the peaceful meadows  
Try not to look so disappointed  
It isn't what you hoped for, is it?  
There's a party in my mind...And I hope it never stops  
I'm stuck here in this seat...I might not stand up

Other people can go home...Everyone else will split  
I'll be here all the time...I can never quit

Everything is very quiet  
Everyone has gone to sleep  
I'm wide awake on memories  
There memories can't wait.

----  
Air  
----

Air...Air  
Hit me in the face  
I run faster  
Faster into the air  
(I say to myself)  
What is happening to my skin?  
Where is that protection that I needed?  
Air can hurt you too  
Air can hurt you too  
Some people say not to worry about the air  
Some people never had experience with...

Air...Air  
It can break your heart  
So remember when the weather gets rough  
(You'll say to yourself)  
What is happening to my skin?  
Where is that protection that I needed?  
Air can hurt you too  
Air can hurt you too  
Some people say not to worry about the air  
Some people don't know shit about the...  
Air...

Heaven  
-----

Everyone is trying to get to the bar.  
The name of the bar, the bar is called Heaven.  
The band in Heaven plays my favorite song.  
They play it once again, they play it all night long.

Heaven is a place where nothing ever happens.  
Heaven is a place where nothing ever happens.

There is a party, everyone is there.  
Everyone will leave at exactly the same time.  
Its hard to imagine that nothing at all  
could be so exciting, and so much fun.

Heaven is a place where nothing ever happens.  
Heaven is a place where nothing ever happens.

When this kiss is over it will start again.  
It will not be any different, it will be exactly

the same.

It's hard to imagine that nothing at all  
could be so exciting, could be so much fun.

Heaven is a place where nothing every happens.  
Heaven is a place where nothing every happens.

Animals  
-----

I'm mad...And that's a fact  
I found out...Animals don't help  
Animal think...They're pretty smart  
Shit on the ground...See in the dark.

They wander around like a crazy dog  
Make a mistake in the parking lot  
Always bumping into things  
Always let you down down down down.

Animals think....  
they understand Trust in them...  
A big mistake Animals want...  
to change my life I will ignore...  
animals advice....

They're never there when you need them  
They never come when you call them  
They're never there when you need them  
The nevere come when you call them down down down down.

I know the animals...Are laughing at us  
They don't even know...What a joke is  
I won't follow...Animal's advice  
I don't care...If they're laughing at us.

They're never there when you need them  
They never come when you call them  
They're never there when you need them  
The nevere come when you call them down down down down.

They say they don't need money  
They're lvinign on nuts and berries  
They say animals don't worry  
You know animals are hairy?  
They think they know what's best  
They're making a fool of us  
They ought to be more careful  
They're setting a bad example  
They have untroubled lives  
They think everything's nice  
They like to laugh at people  
They're setting a bad example  
(Go ahead) Laugh at me.

Electric Guitar  
-----

Electric guitar gets run over by a car on the highway  
This is a crime against the state  
This is the meaning of life.

To tune this electric guitar

An electric guitar is brought in to a court of law  
The judge and the jury (twelve members of the jury)  
All listening to records  
This is a crime against the state  
This is the verdict they reach:

Never listen to electric guitar

Electric guitar is copies, the copy sounds better  
Call this the law of justice, call this freedom and liberty  
I thought I perjure myself, right in front of the jury!  
Is this a crime against the state? No!  
This is the verdict they reach:

Someone controls electric guitar.

-----  
Drugs  
-----

And all I see is little dots  
Some are smeared and some are spots  
Feels like a murder but that's alright  
Somebody said there's too much light  
Pull down the shade and it's alright  
It'll be over in a minute or two.

I'm charged up...Don't put me down  
Don't feel like talking...Don't mess around  
I feel mean...I feel O.K.  
I'm charged up...Electricity

The boys are making a big mess  
This makes the girls all start to laugh  
I don't know what they're talking about  
The boys are worried, the girls are shocked  
They pick the sound and let it drop  
Nobody know what they're talking about

I'm charged up...I'm kinda wooden  
I'm barely moving...I study motion  
I study myself...I fooled myself  
I'm charged up...It's pretty intense.  
I'm charged up...Don't put me down  
Don't feel like talking...Don't mess around  
I feel mean...I feel O.K.  
I'm charged up...Electricity.
