## A CLEAN BREAK

Just beginning to take that love away  
Just beginning to take that love away  
In a minute I'll wash that love away  
Even now we remember what we used to say  
Takes a minute to wash that love away  
Take a clean break: wash that love away

Even now we remember what we used to say  
Even now we remember what we used to say  
We'll be together if we wash that love away

What's tha matter ?  
Have to clean up ?  
That's true  
That's true  
And it's taken  
To extreme extent  
That's why we  
Work so hard to  
Take that love away  
Take that love away  
Take that love away  
Take that love away

GANGSTAR OF LOVE

Gangster of love  
Gangster of love  
You with the cocktail in your hand  
You in your red Mercedes Benz  
Goin' in one ear and out the other  
cover up the pain with laughter, baby

Hey Al Capone  
Is that who you think you are?  
All the girls  
All around the world  
Well, they wanna shake your hand  
It won't be long  
You'll need an alibi  
A little bird  
Told me what he'd heard  
Is it really true?  
Gangster of love  
Gangster of love  
They're gonna take you for a ride  
And hit you right between the eyes  
You can hear the pretty music playin' well  
listen to the words, they're saying,  
you can hear them calling', hear them calling'

Hey, Al Capone  
You'll need a bodyguard  
Just like that  
You'll be laid out flat  
With a broken heart  
I shot you down  
Who's gonna help you now?  
Valentine's day  
Better hope and pray  
They'll be tearing you apart  
Gangster of love, Gangster of love  
Gangster of love, Gangster of love

I hear conversations  
In restaurants and bars  
I read all the papers  
And what they say is wrong  
It's such a fine, fine line  
such a fine, fine line

Gangster of love  
Gangster of love

I WISH YOU WOULDN'T SAY THAT

I wish you wouldn't say that  
I thought I'd have to come right over  
I thought I made it clear enough  
I guess I'll have to make it clearer

Say something to change your mind  
Bring me back the way I used to be  
If it takes forever that's all right  
Say the words that I've been trying to hear

I wish you didn't tell her  
I thought I'd have to come right over  
I thought I'd have to make it clearer  
Now Jimmy's coming over

There are places that I won't forget  
And I guess I'm never going back  
Guess it's information that I lack  
I've told lies without a hint or regret

I wish you wouldn't say that  
I wish you wouldn't say that...

#### LIFETIME PILING UP

I have tried marijuana  
I get nervous any time  
There will come a knockin' at the door  
Why is everybody makin' eyes at me ?  
I don't want to know  
Excuse and pardon me  
Stay for a while  
Maybe we'll never  
meet again

I can see my lifetime piling up  
I can see the days turn into nights  
I can see the people on the street  
Open those windows up  
- A hundred floors below me  
Pilin' those houses up  
Pilin' them higher, higher, higher  
I can feel them swayin' back and forth  
Building it higher, higher

- This tower's leaning over

I got bad coordination  
Stuck a pencil in my eye  
I can hardly wait to get back home  
Why is everybody gettin' paranoid ?  
It's only havin' fun  
Scum bags and superstars  
Tell me your names  
I'll make a bet, you're  
both the same

I can see my lifetime pilin' up  
Reaching from my bedroom to the stars  
I can see the house where I was born  
When I was growin' up... they say that  
I could never keep my trousers up  
I remember days and crazy nights  
Are there any pirates on this ship ?  
And if they sober up - they have us  
Home by morning

Cry, cry, cry  
It's just you and I -  
Like an automobile  
with no one at the wheel  
Spinning out of control  
We're all over the road  
In our sexy machine  
All the passengers scream  
Scream, scream !

I can see my lifetime pilin' up  
I can see it smashin' into yours  
It was not an accident at all  
Open those windows up - I hear you laughin'

Goin' from the bottom to the top  
Maybe I'm holding on too tight  
And now I'm foldin' up  
I got a funny feeling  
Pilin' them houses up  
Pilin' them higher, higher, higher  
Building that highway to the stars  
Turning the music up - Hey!  
I got a winning number

## LOVE GOES TO BUILDING ON FIRE

When my love  
Stands next to your love,  
I can't define love  
When it's not love.

It's not love.  
It's not love.  
Which is my face,  
Which is a building,  
Which is on fire.

When my love  
Stands next to your love,  
I can't define love  
When it's not love.

It's not love.  
It's not love.  
Which is my face,  
Which is a building,

Which is on fire.

I've got two loves  
I've got two loves  
And they go tweet, tweet, tweet, tweet, tweet, like little birds  
They're my two loves...  
Count them one, two loves...  
Count them one, two loves.  
Which is my face  
Which is a building  
Which is on fire

It's not love.  
It's not love.  
Which is my face,  
Which is a building,  
Which is on fire.

## POPSICLE

I'm hanging round the airport  
I'm waiting for the plane  
Mmmmm - something sweet and sticky  
Runnin'down my hand

Popsicle of love  
Gimme gimme gimme one of those  
(It's summertime, boy!)  
coconut delight  
Honey honey honey don't let go  
(It's summertime, love)

Mmm - a kinky little sister  
Mmm - a-wearin' rubber gloves  
A sexual health emergency  
A copulation fantasy  
You and me, ecstasy  
Hate to be reality

Popsicle of love  
Gimme gimme gimme one of those (hoo!)  
(It's summertime, boy!)  
I'm taking off my clothes  
Honey honey honey don't let go  
(It's summertime, love)

Ask - it shall be given  
Pay - and ye shall receive  
Cigarettes and pantyhose  
Hit me in the funnybone  
Hynie hole Tootsie roll  
Jelly roll Time to go

Popsicle of love  
Gimme gimme gimme one of those  
(It's summertime, boy!)  
coconut delight  
Honey honey honey don't let go  
(It's summertime, love)

I'm throwing up my hands  
Buddy buddy - what's wrong with you  
(t's summertime, boy!)  
I'm blowing up my mind  
Lemme lemme see what I can do  
(It's summertime, boy!)

SAX AND VIOLINS

Falling falling  
Gonna drop like a stone  
I'm falling through the atmosphere  
On a warm afternoon  
If lovers discover  
That ev'ryone dies  
So don't tell me, please hole me  
It's a dangerous life

Daddy dear  
Let's get outta here  
I'm scared  
10 o'clock  
Nighttime in New York  
It's weird

If you're looking for trouble  
That's what you will find

Mom & pop  
They will fuck you up  
For sure  
Love so deep  
Kills you in your sleep  
It's true

Love keeps us together  
And love keeps us alive

And we - are criminals that never  
broke no laws  
And all - we needed was a net

to break our fall

They're searching for diamonds

They're grabbin' at straws

Sex 'n' sin

Sax 'n' violins

It's hell

Wooden heads

Furniture with legs

For sale -

Love keeps us together

And love will drive us insane

And we - are criminals that never

broke no laws

And all - we needed was a net

to break our fall

Going home

Back where I belong

To stay -

Rays of light

They will turn the light

TO day -

Birds travel together

Birds follow the sun

And I - am watching as the birds go flying home
