

Tom Tom Club Reissues

Thursday, 29 May 2008 00:00

Reissues of the Tom Tom Club CD's "Boom Boom Chi Boom Boom" and "Dark Sneak Love Action" are scheduled for release on June 24. Both titles are part of a line called "Encore" at WEA/Rhino. The artwork and tracklisting is identical to the original releases (so, no bonus tracks alas). The reissue of "Boom Boom Chi Boom Boom" is the American version (originally released four months after the European one, with four different tracks). Both Tom Tom Club CDs have been officially out of print for 15-20 years. Available for pre-order now: [BBCBB](#) and [DSL](#)
