

After several CD-EPS, Tom Tom Club turntablist/electropunker Kid Ginseng recently released his first EP on vinyl- "Gift to Connect" contains brand new tracks, as well as some reworked versions of Ginseng classics. Special guests include Tina Weymouth (vocal sample on "Wild at Heart") and Tom Tom Club's Mystic Bowie (vocals on "High Zone"). A few copies are now available from the talking-heads.net webstore. "Wild at Heart" can be heard at Kid Ginseng's [MySpace page](#)
